April - The Guernsey Literary and Potato Peel Pie Society: A Novel by Mary Ann Shaffer and Annie Barrows

Juliet Ashton lives in London after World War II and is trying to find a subject for her next book when she receives a letter from Dawsey Adams, who lives on Guernsey, one of the Channel islands between England and France. Dawsey's letters make Juliet interested in life on Guernsey, which was occupied by Germans during the war.

Monday, April 14, 3:30 – 5:00 pm at the Cremona CES. Everyone welcome. Please call the Cremona Municipal Library well in advance to reserve your book.

May – Wish You Well by David Baldacci

It is 1940 and a tragedy sends two young children, Lou and Oz, along with their invalid mother, from New York City to the rugged mountains of Southwestern Virginia to live with their great grandmother. The portraits of the land and its people are described with an extraordinary eye for detail as the story flows through swells of prejudice, innocence, greed, and faith, and the question of whether one can ever really wish another well.

Monday, May 12, 3:30 – 5:00 pm at the Cremona CES. Everyone welcome. Please call the Cremona Municipal Library well in advance to reserve your book.

Enthralling Maya ruins await amid rainforest canopies. Awe-inspiring scuba diving and eco-adventures are on offer along the world's second-longest barrier reef.
