The Housemaid's Daughter by Barbara Mutch

Barbara Mutch's stunning first novel tells a story of love and duty colliding on the arid plains of Apartheid-era South Africa. When Cathleen Harrington leaves her home in Ireland in 1919 to travel to South Africa, she knows that she does not love the man she is to marry there – her fiance Edward, whom she has not seen for five years.

Isolated and estranged in a small town in the harsh Karoo desert, her only real companions are her diary and her housemaid, and later the housemaid's daughter, Ada.

CREMONA GARDENING CLUB

Are you interested in gardening? Are you a new gardener, or already an avid and experienced green thumb? Let's start a Gardening Club!

The club will offer the opportunity to meet with other gardeners - both new and seasoned - and share gardening ideas, experience and tips for gardening in our sometimes challenging conditions. The hope is that the club will evolve to have seed and cutting exchanges, guest speakers, garden tours, plant sales, etc.

This first meeting will also involve some brainstorming to see what members would want.

Attendance at the first meeting is free. If there is enough interest, a club will be officially formed, and membership will be \$15 per person. (This will cover rent and speaker costs for future meetings). If April 12th doesn't work for you, but you would like to join in, please contact Rosemarie McGonigle at [\(403-335-5443\)](tel:403-335-5443), or rosie3104@gmail.com to register.
