The Christmas Box by Richard Paul Evans

Whatever the reason, I find that with each passing Christmas the story of the Christmas box is told less and needed more. So I record it now for all future generations to accept or dismiss, as seems them good. As for me, I believe. And it is, after all, my story.

The School Bus Doesn't Stop Here Anymore by Noreen Olson

Welcome to Noreen Olson's kitchen table, where everything happens. She loves birds, animals, family, children, friends, growing things and life on the farm, and writes about them and all the odd situations they manage to get into with engaging liveliness. Many of the pieces are humorous, but more than that, they are heartwarming and true. In them you will see reflections of your own loves, life, guilt, laughter, nostalgia, memories and beliefs.
