## “Snow Falling on Cedars” - David Guterson

San Pedro Island, north of Puget Sound, is a place so isolated that no one who lives there can afford to make enemies. But in 1954 a local fisherman is found suspiciously drowned, and a Japanese American named Kabuo Miyamoto is charged with his murder. In the course of the ensuing trial, it becomes clear that what is at stake is more than a man's guilt.

## “The Madonnas of Leningrad” - Debra Dean

Bit by bit, the ravages of age are eroding Marina's grip on the everyday. An elderly Russian woman now living in America, she cannot hold on to fresh memories—the details of her grown children's lives, the approaching wedding of her grandchild—yet her distant past is miraculously preserved in her mind's eye. Vivid images of her youth in war-torn Leningrad arise unbidden, carrying her back to the terrible fall of 1941, when she was a tour guide at the Hermitage Museum and the German army's approach signaled the beginning of what would be a long, torturous siege on the city.

## TOASTMASTERS IN CREMONA

### More speakers needed

We are looking for interested people wanting to practice and improve their communication skills.

Toastmasters works on speaking in public, thinking on your feet, dealing with meeting procedures etc. Speeches, are evaluated in a very positive way so that you can improve. It is a learning experience that anyone could benefit from. As well it is a lot of fun. It is informal and all members support each other. You must be 18 years of age or over to join. Innisfail is currently meeting on Thursday evenings from 7:45 – 9:00 pm

Cost: \$54.00/person to join. This gives you 2 manuals from which to work, do your speeches etc. Once we are chartered, this amount will be paid to Toastmasters.

This would be done with Innisfail through Video Conferencing so that we could hopefully get enough members to be chartered as a group.
