BACKYARD BEEKEEPING

About the Workshop:

This workshop will introduce you to the complexities of the honeybee society, and offer you a greater understanding of how their behaviours allow for beekeepers to manage them with relative ease. We will talk about what a beehive needs to produce honey in either your backyard or in your field. Then, we will review gardening practices and plant species that you can grow to support pollinator success.

DATE: Thursday, February 27th

TIME: 6:00 – 9:00 PM

COST: \$35/person

LOCATION: Cremona CES

DEADLINE TO REGISTER: *Friday, February 21st*

A.B.C (Apiaries and Bees for Communities) is a Calgary based urban beekeeping initiative with programming offered across Alberta. Starting up in 2010, A.B.C is focused on developing educational and mentorship opportunities for urbanites to get engaged in beekeeping practices. Teaching 200+ new beekeepers, selling out over 40 unique programs, as well as collaborating with organizations like the Calgary Zoo, Telus SPARK!, and Mount Royal University. A.B.C has brought over 300 colonies of bees in to Alberta for new beekeepers since 2010 and is eager to see sustainable beekeeping practices permeate from the heart of urban centers. For more information on the organization and their programming, go to www.backyardbees.ca.
