GROWING TOGETHER, LEARNING FOREVER
"A Campus Alberta Central Learning Site"

BOOK CLUB – Open Heart, Open Mind by Clara Hughes

In a world where winning meant everything, her biggest competitor was herself. In 2006, when Clara Hughes stepped onto the Olympic podium in Torino, Italy, she became the first and only athlete ever to win multiple medals in both Summer and Winter Games. Four years later, she was proud to carry the Canadian flag in the opening ceremony of the Vancouver Olympic Winter Games. But there's another story behind her celebrated career as an athlete, behind her signature billboard smile.
