The Old Man and the Sea by Ernest Hemingway

The Old Man and the Sea is one of Hemingway's most enduring works. Told in language of great simplicity and power, it is the story of an old Cuban fisherman, down on his luck, and his supreme ordeal – a relentless, agonizing battle with a giant marlin far out in the Gulf Stream. Here Hemingway recasts, in strikingly contemporary style, the classic theme of courage in the face of defeat, of personal triumph won from loss. Written in 1952, this hugely successful novella confirmed his power and presence in the literary world and played a large part in his winning the 1954 Nobel Prize for Literature.

NEW MOVIES AT THE LIBRARY

THE MOUNTAIN BETWEEN US

Stranded on a mountain after a tragic plane crash, two strangers must work together to endure the extreme elements of the remote, snow-covered terrain. Realizing that help is not on the way, they embark on a perilous journey across hundreds of miles of wilderness, pushing each other to survive and discovering their inner strength.

CARS 3

Blindsided by a new generation of blazing-fast cars, the legendary Lightning McQueen finds himself pushed out of the sport that he loves. Hoping to get back in the game, he turns to Cruz Ramirez, an eager young technician who has her own plans for winning. With inspiration from the Fabulous Hudson Hornet and a few unexpected turns, No. 95 prepares to compete on Piston Cup Racing's biggest stage.

GAME OF THRONES SEASON 7

George R.R. Martin's best-selling book series "A Song of Ice and Fire" is brought to the screen as HBO sinks its considerable storytelling teeth into the medieval fantasy epic. It's the depiction of two powerful families -- kings and queens, knights and renegades, liars and honest men -- playing a deadly game for control of the Seven Kingdoms of Westeros, and to sit atop the Iron Throne. The Library also has Season 1-6.

DESPICABLE ME 3

The mischievous Minions hope that Gru will return to a life of crime after the new boss of the Anti-Villain League fires him. Instead, Gru decides to remain retired and travel to Freedonia to meet his long-lost twin brother for the first time. The reunited siblings soon find themselves in an uneasy alliance to take down the elusive Balthazar Bratt, a former 1980s child star who seeks revenge against the world.
