Everyone will bring their own makeup to the class and we will utilize what everyone has in their kits no matter how much makeup you have. You can always use some of my makeup too! I'll have a model who I'm practicing the look on, and everyone will follow on themselves step by step. I'll have brushes there to buy also ranging from \$10-\$20. ## NEWS – May 2019

### A LONG WAY HOME

by Saroo Brierley

At only five years old, Saroo Brierley got lost on a train in India. Unable to read or write or recall the name of his hometown or even his own last name, he survived alone for weeks on the rough streets of Calcutta before ultimately being transferred to an agency and adopted by a couple in Australia. Despite his gratitude, Brierley always wondered about his origins. Eventually, with the advent of Google Earth, he had the opportunity to look for the needle in a haystack he once called home. One day, after years of searching, he miraculously found what he was looking for and set off to find his family. *A Long Way Home* is a moving, poignant, and inspirational true story of survival and triumph against incredible odds. It celebrates the importance of never letting go of what drives the human spirit: hope.

**The last day of Lego club, Craft club, Storytime and Knitting Club will be May 31, 2019. Watch for our new programming in the Fall!**
